Purchase Patterns & Trends

 Beverage Category 22

 Orange Juice 70

 Grapefruit Juice 90

OJ Purchasing by Channel of Trade 98

Heavy and Med/Light OJ Buyers 104

Objectives

- **Identify Beverage Purchase Trends**
 - Provide an overview of beverage category purchase patterns and trends.
 - Identify changing dynamics among orange juice (OJ), grapefruit juice (GJ), and competitive fruit juices.
 - Detail OJ and GJ household purchasing trends.

Parameters

- **The Homescan Consumer Purchase Panel:**
 - 48,436 households recording purchases brought home
 - Demographically & geographically balanced to represent U.S. population
- **The Data:**
 - All UPC coded purchases from all outlets (over 8,000 unique UPCs)
 - Consumer perceived details (i.e., coupons & store sales)
- **Time Periods:**
 - 2023 Year (01/01/2023 to 12/30/2023) vs.
 - 2022 Year-Ago (01/02/2022 to 12/31/2022)
- **Volume:**
 - Equivalent gallons

Parameters

- **Geography:**
 - Total U.S., All Outlets
- **Category Definition:**
 - TOTAL BEVERAGES (CRW) is disaggregated into the following segments:
 - Carbonated Soft Drinks (CSD)
 - Ref, White & Flavored Milk
 - Liquid Tea
 - Bottled Water
 - Isotonics
 - Dry Coffee
 - Shakes & meal replacement drinks
 - Plant-based milk alternatives (e.g., oat, almond)
 - Coffee creamer (disaggregated from TTL Beverage to monitor consumer trends)
 - Non-Carb Soft Drinks (non CSD)
 - Liquid Coffee
 - Dry Tea
 - Fruit Juices & Drinks
 - Vegetable Juice/Drinks
 - Sparkling Water

Parameters

- **Definition of Measures:**

- **Household Penetration**

- Percentage of U.S. Households (HHs) buying product at retail*

- **Buying Rate**

- Average number of gallons purchased annually at retail by Buying HHs*

- **Purchase Frequency**

- Average number of times per year product was purchased at retail by Buying HHs*

- **Purchase Size**

- Average amount (gallons) purchased every time product is purchased at retail*

- **% Purchased on Perceived Deal**

- Percent of product bought at retail when Buyer thought it was on deal
(coupon, shelf discount, etc.)*

Parameters

- **Acronyms and Abbreviations**

- AO = All Other
- Btl = Bottled
- CSD = Carbonated Soft Drink
- Dk = Drink
- Frt = Fruit
- GJ = Grapefruit Juice
- HHs = Households
- JC = Juice
- Lite OJ = Orange Juice Drink containing 40% to 99.9% OJ
- NFC = Not From Concentrate
- Non CSD = Non-Carbonated Soft Drink (e.g., Kool Aid)
- OJ = Orange Juice
- Recon = Reconstituted
- Sprkl = Sparkling
- TL = Total
- WHC = Warehouse Club (e.g., Sam's, Costco)

Parameters

- **Reported Here:**
 - Market Summary Findings for 2023
 - *Products*
 - *Channels (types of retail stores)*
 - *Measures*
 - *Buyer groups*
 - Two-Year Trends (2022 vs. 2023)

The image features a minimalist design with two stylized, light gray hands. Each hand is positioned to hold a large, solid orange circle. The hand on the left is located in the upper-left quadrant, while the hand on the right is in the lower-right quadrant. The orange circles are centered within the palms of the hands. In the center of the image, between the two hands, is the text 'Volume & Share Trends in Beverage Categories' in a bold, dark green font. The text is arranged in two lines, with 'Volume & Share Trends in' on the top line and 'Beverage Categories' on the bottom line.

The image features a minimalist design with two stylized, light gray hands. One hand is positioned in the upper left corner, and the other is in the lower right corner. Each hand is holding a solid orange circle, which represents an orange. The hands are rendered with simple, clean lines, and the orange circles are a vibrant, solid orange color. The background is a plain, light gray, providing a neutral backdrop for the central text and the hand/orange illustrations.

Orange Juice: Heavy, Medium/Light, and Non-Buyers

Definitions of OJ Buyers

- For this analysis, three OJ Buyer groups are considered:
 - HEAVY OJ BUYER – *Household buys more than 12 gallons of OJ per year*
 - MED/LT OJ BUYER – *Household buys 12 gallons or less OJ per year (for further definition of Medium and Light, see Appendix)*
 - NON-BUYER – *Household did not report more than one OJ purchase in 2023 within the retail outlets covered by the Market Summary Report*
